Averts Awful Tragedy.

Timely advice given Mrs. Wiloughby, of Marengo, Wis. (R. No. 1) prevented a dreadful tragedy and saved two lives. Doctors had said her frightful cough was a "consumption" cough and could do little to help her. After many remedies failed, her aunt urged her to take Dr. King's new discovery. "I have been using it for some time," she wrote, "and the awful cough has almost gone. It also saved my little boy when taken with a severe bronchial trouble." This matchless medicine has equal for throat and lung troubles. Price 50c \$1.00 Trial bottle free, Guaranteed by all druggists.

Do not wait until tomorrow, but begin today. Compel yourself to develop the opposite quality by the constant practice of firm decision. Analyze thoroughly every affair before deciding. Then when your decision is made let it be final.

A Geographical Possibility.

Scientists assert that additional islands are now forming in the China sea to the southward, extending toward Australia. It is a notable fact that all the continents of this earth extend to a point at the southern extremity with the exception of Australia. Australia tapers southward beneath the surface of the sea. Who can say but that Australia will some day become the southern point of another large continent, with the Philippines and Borneo forming the trunk?—Pacific Monthly.

Is the World Growing Better?

Many things are to prove that it is. The way thousands are trying to help others is proof. Among them is Mrs. W. W. Gould, of Pittsfield, N. H. Finding her health failing, she now advises other sufferers, everywhere, to take them. "For years I suffered with stomach and kidney trouble," she writes. "Every medicine I used failed till I took Electric Bitters. But this great remedy helped me wonderfully." They'll help any woman. They're the best tonic and finest liver and kidney remedy that's made. Try them. You'll see. 50c at all Druggists.

A Mexican Mountain People.

In the more inaccessible parts of the Sierra Madre mountains in northern Mexico live a curious people called the Tarahumaras. Many of them dwell in caves, but they have also small villages, all of them about 8,000 feet above sea level. The Tarahumaras are small in body, but possessed of much endurance. Their only food is maize, and they manufacture a drink called tesquino from the same cereal. Their language is limited to about 300 words, and they cannot count beyond ten.—Scientific American.

### WINCHESTER

Repeating Shotguns

USED IN THE U. S. ARMY.

The U. S. Army authorities know a gun; that is why, when they decided to equip some troops with repeating shotguns, they selected the Winchester in preference to all other makes. The experts of the U. S. Ordnance Board also know a gun; that's why, after submitting a Winchester Repeating Shotgun to all sorts of tests, they pronounced it safe, sure, strong and simple. If you want a shotgun—buy the one whose strength and reliability led the U. S. Army authorities to select it and the U. S. Ordnance Board to endorse it—that's the Winchester.

## Don't Suffer!

"I had been troubled, a little, for nearly 7 years," writes Mrs. L. Fincher, in a letter from Peavy, Ala., "but I was not taken down, until March, when I went to bed and had to have a doctor. He did all he could for me, but I got no better. I hurt all over, and I could not rest. At last, I tried Cardui, and soon I began to improve. Now I am in very good health, and able to do all my housework."

## TAKE The CARDUI Woman's Tonic

You may wonder why Cardui is so successful, after other remedies have failed. The answer is that Cardui is successful, because it is composed of scientific ingredients, that act curatively on the womanly system. It is a medicine for women, and for women only. It builds, strengthens, and restores weak and ailing women, to health and happiness. If you suffer like Mrs. Fincher did, take Cardui. It will surely do for you, what it did for her. Two Kinds of Men. I think it is Warburton who draws a very just distinction between a man of true greatness and a mediocrity. "If," says he, "you want to recommend yourself to the former take care that he quits your society with a good opinion of you; if your object is to please the latter take care that he leaves you with a good opinion of himself."—Lacon.

Almost impossible. Jack—Why wouldn't she marry you? She loves you to distraction. I know it, because she told me so. George—She insisted on my proving that I am not already married, because she says there is a great deal of bigamy nowadays. Well, it is easy enough to prove that one is married, but how the dickens am I going to prove that I am not?

Too Bad. Many a good deed has been spoiled by being done at the wrong time.
